Space Marines: Angels of Death: The book as a whole was well done, and well formatted (especially for containing 31 short stories!). I really liked the intro, and the short Foundation page at the start of each section of stories.

Space Marines: Angels of Death by David Annandale

Space Marines are generally regarded as having something of an "unfair advantage" in the tabletop, mainly because every young 40k player has a strong liking for them, and almost every unit in the listings has at least a 3+ armor save, making them rather hard to kill, especially when considering armies such as the Blood Angels have models that allow players to roll an additional "Feel No Pain ...
