### **Awareness Act Wikipedia**

Total Information Awareness (TIA) was a program of the United States Information Awareness Office that began during the 2003 fiscal year. It operated under this title from February until May 2003, before being renamed as the Terrorism Information Awareness.. Based on the concept of predictive policing, TIA aimed to gather detailed information about individuals in order to anticipate and ...

### **Total Information Awareness - Wikipedia**

Situational awareness or situation awareness (SA) is the perception of environmental elements and events with respect to time or space, the comprehension of their meaning, and the projection of their future status.. Situation awareness has been recognized as a critical, yet often elusive, foundation for successful decision-making across a broad range of situations, including aviation, air ...
