

Best On Stock Options

Best On Stock Options

TD Ameritrade. At \$6.95 a trade, TD Ameritrade is a little bit pricier than the most inexpensive options. However, TD Ameritrade does offer commission-free trades on a list of over 300 exchange-traded funds, which — given that ETF trading is often one of the best options for novice investors — could mean that you'll never actually need to pay that commission.

Stock Options Picks For Explosive Returns

A trader who expects a stock's price to increase can buy a call option to purchase the stock at a fixed price ("strike price") at a later date, rather than purchase the stock outright. The cash outlay on the option is the premium. The trader would have no obligation to buy the stock, but only has the right to do so at or before the expiration date.
