Technology is a Greek word derived from the synthesis of two words: techne (meaning art) and logos (meaning logic or science). So loosely interpreted, technology means the art of logic or the art of scientific discipline. Formally, it has been defined by Everett M. Rogers as "a design for instrumental action that reduces the uncertainty in the cause-effect relationships involved in achieving a ...

The Comedy of Errors is one of William Shakespeare's early plays. It is his shortest and one of his most farcical comedies, with a major part of the humour coming from slapstick and mistaken identity, in addition to puns and word play. The Comedy of Errors is, along with The Tempest, one of only two Shakespearean plays to observe the Aristotelian principle of unity of time—that is, that the ...
