Chasing the Dragon's Tail: The Theory and Practice of ...

Chasing the Dragon's Tail is a book in this tradition, but one that also charts a course for future explorations. Thus, while it details Dr. Manaka's clinical system in its fullest and most effective form, it is also an invitation to further investigation by one of the most inventive Oriental practitioners of the preceding generation.

The Corum Golden Bridge: Chasing The Dragon's Tail. A flawless pearl is not held by the creature's mythical paws, but is set into the tip of its tail. The pearl is a symbol of wisdom, but it also alludes to the fact that in many mythologies, a dragon is the guardian of some sort of treasure (think about the visually sumptuous Hobbit movies,...
