Coffin The Art Of Vampire

A coffin is a funerary box used for viewing or keeping a corpse, either for burial or cremation.. The word took two different paths, coffin in Old French originally meaning basket, became coffin in English and became couffin in modern French which nowadays means a cradle. A distinction is often made between coffin and casket: the latter is generally understood to denote a four-sided (almost ...

Vampire literature covers the spectrum of literary work concerned principally with the subject of vampires. The literary vampire first appeared in 18th-century poetry, before becoming one of the stock figures of gothic fiction with the publication of Polidori's *The Vampyre* (1819), which was inspired by the life and legend of Lord Byron. Later influential works include the penny dreadful *Varney* ...
