Companion Theological Anthropology

Theology is the critical study of the nature of the divine, and more broadly, of religious belief. It is taught as an academic discipline, typically in universities and seminaries. It occupies itself with the unique content of analyzing the supernatural, but also especially with epistemology, and asks and seeks to answer the question of revelation. ...

Having studied the nature of man according to his nature, his origin in soul by an immediate creation of God and in body by some special agency directed by God, we are now in a position to examine into the moral and religious phase of human kind. Our immediate concern will be with the first man, Adam, as the father of his race; and our scope of inquiry will be twofold: to establish the fact ...

A origem do termo nos remete à Hélade - a Grécia Antiga. O termo "teologia" aparece em Platão, mas o conceito já existia nos pré-socráticos. Platão o aplica aos mitos interpretando-os à luz crítica da filosofia considerando seu valor para a educação política. Nessa passagem do mito ao logos, trata-se de descobrir a verdade oculta nos mitos.
