Our Corporate Citizenship starts with our people. At Blackbaud, we practice Human Social Responsibility, which means that we take our lead from our team-members around the world in our corporate philanthropy efforts.

### **Corporate Social Responsibility | Blackbaud**

There has been much debate about the role of corporations and how they function in today’s global society. Arguments abound as to whether or not these entities pay their fair share of taxes to the governments of the countries in which they operate and whether or not they have a social responsibility to act according to basic principles of human rights.
