Early harvest projects can help meet the urgent needs to improve road safety for member States. They are also a chance to highlight how the United Nations Road Safety Trust Fund, launched on 12 April 2018, can aid road safety while simultaneously effort is invested into fully operationalizing this Fund. In this context a call to the Fund's Participating Organisations for pilot projects ...

Transport or transportation is the movement of humans, animals and goods from one location to another. In other words the action of transport is defined as a particular movement of an organism or thing from a point A to the Point B. Modes of transport include air, land (rail and road), water, cable, pipeline and space. The field can be divided into infrastructure, vehicles and operations.

Transport - Wikipedia

Sweetland Transport. SWEETLAND TRANSPORT depends on two very important elements: customers and drivers. With this in mind, we have built a culture that serves our customers' needs while making SWEETLAND TRANSPORT the best trucking company to work for.

Sweetland Transport

Land transport is the transport or movement of people, animals or goods from one location to another on land. The two main forms of land transport are rail transport and road transport

Land transport - Wikipedia

The Global Road Safety Facility (GRSF), a global partnership program administered by the World Bank, was established in 2006 with a mission to help address the growing crisis of road traffic deaths and injuries in low and middle-income countries (LMICs).
