

Glimpses Of The Orient

rhythms and complex, odd-shaped taans.

Oriental Traditional Music from LPs & Cassettes

At the time Kansas was organized as a territory in 1854 the means of transportation west of the Mississippi River were extremely limited. Immigrants came by water from St. Louis to what is now Kansas City, Missouri, from which point the trip westward toward the interior of the state had to be made with wagons, over a country where even wagon roads had not yet been established.

Railroads of Kansas - History & Information

The architectural design process consists of five phases. As you begin working with an architect, or consider hiring one, it's helpful to know where you are in the process and where it will take you.

Understanding the five phases of design - AIA
