A metaphor is a figure of speech that, for rhetorical effect, directly refers to one thing by mentioning another. It may provide clarity or identify hidden similarities between two ideas. Antithesis, hyperbole, metonymy and simile are all types of metaphor. One of the most commonly cited examples of a metaphor in English literature is the "All the world's a stage" monologue from As You Like It:

Metaphor - Wikipedia

Anything small, brief, young, or unimportant can be described as little. If you live in a little cottage, it means your house is very small, and quite possibly adorable.
