ESL Literacy for a Linguistic Minority: The Deaf Experience
Deaf culture is the set of social beliefs, behaviors, art, literary traditions, history, values, and shared institutions of communities that are influenced by deafness and which use sign languages as the main means of communication. When used as a cultural label especially within the culture, the word deaf is often written with a capital D and referred to as "big D Deaf" in speech and sign.

Factors affecting mental health of deaf people. Some perinatal infections (eg, rubella) and syndromal causes of deafness are associated with other disabilities and poor mental health. After 1990, rates of hearing impairment associated with rubella and unknown causes declined. In a 2011 population-based Dutch study, a hereditary cause for permanent childhood hearing impairment was ...
