### Micro Businesses Ideas

A micro-enterprise (or microenterprise) is generally defined as a small business employing nine people or fewer, and having a balance sheet or turnover less than a certain amount (e.g. €2 million or PHP 3 million). The terms microenterprise and microbusiness have the same meaning, though traditionally when referring to a small business financed by microcredit the term microenterprise is ...

A home business (or "home-based business" or "HBB") is a small business that operates from the business owner's home office. In addition to location, home businesses are usually defined by having a very small number of employees, usually all immediate family of the business owner, in which case it is also a family business. Home businesses generally lack shop frontage, customer parking and ...
