The first American postcard was developed in 1873 by the Morgan Envelope Factory of Springfield, Massachusetts. These first postcards depicted the Interstate Industrial Exposition that took place in Chicago. Later in 1873, Post Master John Creswell introduced the first pre-stamped "Postal Cards", often called "penny postcards". Postcards were made because people were looking for an easier way ...

The Passenger Ship Website. Anyone with an interest in passenger ships should be a member of the Ocean Liner Society. The Ocean Liner Society is a non-profit organisation whose members celebrate the passenger ship in its many forms. Whether your interest is the liners of yesteryear, the cruise ships of today or ferries, the society has something for all.

The mail or post is a system for physically transporting postcards, letters, and parcels. A postal service can be private or public, though many governments place restrictions on private systems. Since the mid-19th century, national postal systems have generally been established as government monopolies, with a fee on the article prepaid. Proof of payment is often in the form of adhesive ...
