Private Security and the Law | Taylor & Francis Group

Thus, the private detective of the store was only acting with the authority of a "private citizen.". When private security personnel are hired on a contractual basis by a public authority, they are in fact acting with authority of state law and are subject to constitutional restrictions upon the exercise of power.

Scope of legal Authority of Private Security Personnel

In Latvia, the Security Guard Activities Law regulates the conduct of private security services. This law states that private security services can be performed either by natural persons or legal persons that have obtained a special permit issued by the Minister of Interior.
