### **Raised By White Trash English**

White trash is a derogatory American English slur referring to poor white people, especially in the rural southern United States. The label signifies a social class inside the white population and especially a degraded standard of living. The term has been adopted for people living on the fringes of the social order, who are seen as dangerous because they may be criminal, unpredictable, and ...

Look, men can be trash no matter where they fall along the socially-contrived institution we call race, and I'm not arguing with that. But while I am initially wary of all strange men, if you were to ask me who strikes the most instinctual fear into my heart when I pass them alone on the street, the answer will always be strange white men. Besides the fact that white men are responsible for ...
