

## *Second Careers For Baby Boomers*

### **Second Careers For Baby Boomers**

Baby boomers (also known as boomers) are the demographic cohort following the Silent Generation and preceding Generation X. Though there may be a few different timelines said to represent the birth years of the Baby Boom generation, the U.S. Census Bureau and many experts agree that the Baby Boom generation spans 18 birth years from 1946 to 1964. This leaves room for demographers and ...

You say: "The Generation X are the Baby Boomers." I was born in 1970 and always thought I was part of Generation X, and actually always felt close to being a Generation Y because I owned computers when I was young, learned programming in middle school computer drafting in HS, and desktop publishing and computer graphic design in college.
