

Service Adviser File

Service Adviser File

An adviser or advisor is normally a person with more and deeper knowledge in a specific area and usually also includes persons with cross-functional and multidisciplinary expertise. An adviser's role is that of a mentor or guide and differs categorically from that of a task-specific consultant. An adviser is typically part of the leadership, whereas consultants fulfill functional roles.

Independent Financial Advisers (IFAs) are professionals who offer independent advice on financial matters to their clients and recommend suitable financial products from the whole of the market. The term was developed to reflect a United Kingdom (UK) regulatory position and has a specific UK meaning, although it has been adopted in other parts of the world, such as Hong Kong.
