Its streets are full of culture, and you can experience the tango vibe in every neighborhood (Tango in San Telmo, Palermo, La Boca, everywhere.) Below you will find information related to this dear part of our culture that we call Tango.

Tango lessons in Buenos Aires - Adrian Luna

Methodology of private tango classes: These practices are used to review the aspects that were worked on in the Private Classes. Through repetition and application, the student integrates the new concepts into the memory of their muscles. Practices give students the opportunity to clarify the issues that were worked on in the Classes.

Tango classes Buenos Aires - Adrian Luna

My tango style is traditional milonguero and was inspired by my grandfather but it continues to evolve through the influence of different well-known milongueros and milongueras of Buenos Aires. My style emphasizes elegance, musicality, strong connection through close embrace, dancing for your partner and expressing that feeling through the music.
