In Kentucky, May is the beautiful month, a seasonal blessing with revealing sights, sweet sounds, fresh smells, and a feeling of new life. The forests are clothed in greenery, wildflowers reach their zenith, children seem all the more exuberant, nestlings venture forth into a harsh world, and berry patches blaze in glory.

Emperors of the Sangoku,, the "Three Kingdoms," of India, China, & Japan. India and China are the sources of the greatest civilizations in Eastern and Southern Asia. Their rulers saw themselves as universal monarchs, thereby matching the pretensions of the Roman Emperors in the West. The only drawbacks to their historical priority were that India suffered a setback, when the Indus Valley ...

Recent global temperatures (from ice core data here). One thing is pretty obvious from this data - we are very near the end of the current interglacial period - and a new glacial cycle is imminent - indeed, probably overdue.. Reglaciation would represent an apocalypse for life in the northern hemisphere - humans should be doing everything they possibly can to prevent this from happening.
