So the layman will need to understand that there is a new kind of electromagnetic energy that is altogether different from what he knows, e.g. radio, TV, cell phones, etc. The ordinary EM waves that we have known about are called transverse EM waves, to distinguish them from the new longitudinal EM waves. These scalar waves do not actually exist in our "material" world, but exist only in the ...

March 15, 2006. I had no idea there were people making HHGs, Cloudbusters, and this other stuff. Gee. I've been doing this work for years, using feeling forms. I'm not the only one, even on the Web, one sees people using thought forms, or feeling forms, of HHG's and similar devices. Don Croft can reach anywhere in this Universe, simply by imagining himself there, and then putting a feeling ...
