

## *The Workhouse A Study Of Poor Law Buildings In England*

### **The Workhouse A Study Of**

The workhouse system evolved in the 17th century, allowing parishes to reduce the cost to ratepayers of providing poor relief. The first authoritative figure for numbers of workhouses comes in the next century from The Abstract of Returns made by the Overseers of the Poor, which was drawn up following a government survey in 1776. It put the number of parish workhouses in England and Wales at ...

The story of the Workhouse began just over 100 years ago at the turn of the twentieth century. A special three-member Penal Commission was appointed in 1908, at the insistence of President Theodore Roosevelt, to investigate the over-crowded and unsanitary conditions present at the District of Columbia jail and workhouse.

Workhouses. In England, Wales and Ireland (but not in Scotland) a poorhouse was more commonly known as a workhouse. Before the introduction of the Poor Law, each parish would maintain its own workhouse and often these rural 'poor houses' would be simple farms with the occupants dividing their times between working the farm and employed on maintaining local roads and other parish works.
