United States History Beginnings To

The Republican Party, also referred to as the GOP ("Grand Old Party"), is one of the world's oldest extant political parties. The party values reflect economic conservatism, classical conservatism (modern day American conservatism) and corporate liberty rights. It is the second oldest existing political party in the United States after its primary rival, the Democratic Party.

History of the United States Republican Party - Wikipedia

The music history of the United States includes many styles of folk, popular and classical music. Some of the best-known genres of American music are blues, rock and roll, and country. The history began with the Native Americans, the first people to populate North America. The music of these people was highly varied in form, and was mostly religious in purpose.

Music history of the United States - Wikipedia

United States, officially United States of America, abbreviated U.S. or U.S.A., byname America, country in North America, a federal republic of 50 states. Besides the 48 conterminous states that occupy the middle latitudes of the continent, the United States includes the state of Alaska, at the northwestern extreme of North America, and the island state of Hawaii, in the mid-Pacific Ocean.
