Who's Who in the U.S. Department of Education. With a budget of more than \$63 billion, the U.S. Department of Education is responsible for funding and administering programs that 'promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.' But who are...

Who's Who in the U.S. Department of Education - Study.com

I read earlier this week a post over at the Common Core blog about who defines education and why it matters. The author of the post, Hillary Marder, was complaining about how governors were driving the definition based upon "economy efficiency" and the often tout developing skills. That, Marder claims, fuels their talk of standards, [...]

Who Defines Education? | Truth in American Education

Education, they believe, is the backbone of a nation. Therefore, experts must hand down what should be taught. Teachers are to present material, ideas, and values that coincide with the nation's political, intellectual, and ethical pronouncements.

Defining Education: Who Benefits from Education? - Nerdy ...

The definition of education guiding mainstream schools today is that education is the delivery of knowledge, skills, and information from teachers to students. While the above metaphor—education as a delivery system— sounds reasonable, it misses what is most important about education.
